Key Action 1  
– Mobility for learners and staff –  
Higher Education Student and Staff Mobility  
Inter-institutional agreement 2014/15-2020/21  
between programme countries  
Minimum requirements**

The institutions named below agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the Erasmus Charter for Higher Education in all aspects related to the organisation and management of the mobility, in particular the recognition of the credits awarded to students by the partner institution.

### C. Recommended language skills

The sending institution, following agreement with the receiving institution, is responsible for providing support to its nominated candidates so that they can have the recommended language skills at the start of the study or teaching period:

For more details on the language of instruction recommendations, see the course catalogue of each institution [Links provided on the first page].

#### PL TORUN 01:

Students applying for an Erasmus at NCU should meet the following language requirements: B2 of English (both in writing and speaking). Moreover, respective faculties esp. language departments may have higher requirements. Students should present a language certificate proving their language competences.

<sup>1</sup> For an easier and consistent understanding of language requirements, use of the Common European Framework of Reference for Languages (CEFR) is recommended, see <http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>

### Termination of the agreement

The inter-institutional agreement may be amended by mutual agreement. The inter-institutional agreement may be terminated by either party. In the event of unilateral termination, a notice of at least one academic year should be given. In the event of such notice being given, all existing commitments to staff or students will be fulfilled. Neither the European Commission nor the National Agencies can be held responsible in case of a conflict.

## F. Information

### 1. Grading systems of the institutions

#### TR SANLIUR01

#### PL TORUN01:

##### ECTS Credits:

The Nicolaus Copernicus University follows the ECTS scheme, which means that ECTS credits are allocated to course units, lectures, practical works, etc. at each faculty. In ECTS, 60 credits represent one year of study (in terms of workload); normally 30 credits are given for six months (a term/semester).

The Polish grading system in higher education is based on the 5 to 2 scale, where 5 is the best mark and 2 is the worst.

Moreover, students can also be marked with additional signs of + and -. Each of them equals half a point: + means 0.5 more. Some courses, however, are not evaluated on such a marking scheme and for these a student may simply obtain *zal.* or *zaliczenie* (EN. 'pass') which means that their workload was satisfactory and they have passed the course.

**GRADES:** The Student Exchange Office recommends the following grading equivalency table:

| Uniwersytet Mikołaja<br>Kopernika w Toruniu | ECTS  |                          |
|---|---|--------------------------|
|   | Grade   | Predicate                |
| 5   | A   | Very Good                |
| 4,5   | B   | Better than good         |
| 4   | C   | Good                     |
| 3,5   | D   | Better than satisfactory |
| 3   | E   | Satisfactory             |
| 2   | F   | Unsatisfactory / Fail    |
| Zal / Pass                                  | Participation; i.e. the student has successfully and regularly attended the course. |                          |
