### **F. Information**

#### **1. Grading systems of the institutions**

##### **F ANGERS01:**

16	A "Excellent"
14-15	B "Very Good"
12-13	C "Good"
11	D "Satisfactory"
10	E "Sufficient"

6	F "Fail"

##### **PL TORUN01:**

The Nicolaus Copernicus University follows the ECTS scheme, which means that ECTS credits are allocated to course units, lectures, practical works, etc. at each faculty. In ECTS, 60 credits represent one year of study (in terms of workload); normally 30 credits are given for six months (a term/semester).

The Polish grading system in higher education is based on the 5 to 2 scale, where 5 is the best mark and 2 is the worst.

Moreover, students can also be marked with additional signs of + and -. Each of them equals half a point: + means 0.5 more. Some courses, however, are not evaluated on such a marking scheme and for these a student may simply obtain *zal.* or *zaliczenie* (EN. 'pass') which means that their workload was satisfactory and they have passed the course.

Uniwersytet Mikołaja Kopernika w Toruniu		ECTS	
Grade		Grade	Predicate
5		A	Very Good

4,5	B	Better than good
4	C	Good
3,5	D	Better than satisfactory
3	E	Satisfactory
2	F	Unsatisfactory / Fail
Zal / Pass	Participation; i.e. the student has successfully and regularly attended the course.

Nicolaus Copernicus University  
Faculty of Languages

ERAMSUS+

MINIMUM LANGUAGE REQUIREMENTS FOR INCOMING ERASMUS STUDENTS

In order to study at the Faculty of Languages you must meet the language requirements for the Philology you wish to study. Each Philology sets its own individual language level. You need to look at the form below and then check its requirements.

Please note that we accept "internal" Institutional/University Proficiency tests, certified by a Language Teacher at the Home University. Please use the form attached at the end of this document.

**Confirmations by private teachers are not considered valid.**

We also accept official proficiency language documents issued by an official institution, as e.g. Goethe Institute.

It is strongly recommended that you start preparing as soon as possible in order to get a better idea on what is expected from applicants in terms of their skills.

**If you are keen to apply, but are in any doubt about the pre-requisites, please do not hesitate to contact your department coordinator (see the e-mail list below).**

Common Reference Levels: global scale:

Proficient User	C2	Can understand with ease virtually everything heard or read. Can summarise information from different spoken and written sources, reconstructing arguments and accounts in a coherent presentation. Can express him/herself spontaneously, very fluently and precisely, differentiating finer shades of meaning even in more complex situations.
	C1	Can understand a wide range of demanding, longer texts, and recognise implicit meaning. Can express him/herself fluently and spontaneously without much obvious searching for expressions. Can use language flexibly and effectively for social, academic and professional purposes. Can produce clear, well-structured, detailed text on complex subjects, showing controlled use of organisational patterns, connectors and cohesive devices.
Independent User	B2	Can understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in his/her field of specialisation. Can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party. Can produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options.
	B1	Can understand the main points of clear standard input on familiar matters regularly encountered in work, school, leisure, etc. Can deal with most situations likely to arise whilst travelling in an area where the language is spoken. Can produce simple connected text on topics which are familiar or of personal interest. Can describe experiences and events, dreams, hopes and ambitions and briefly give reasons and explanations for opinions and plans.
Basic User	A2	Can understand sentences and frequently used expressions related to areas of most immediate relevance (e.g. very basic personal and family information, shopping, local geography, employment). Can communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar and routine matters. Can describe in simple terms aspects of his/her background, immediate environment and matters in areas of immediate need.
	A1	Can understand and use familiar everyday expressions and very basic phrases aimed at the satisfaction of needs of a concrete type. Can introduce him/herself and others and can ask and answer questions about personal details such as where he/she lives, people he/she knows and things he/she has. Can interact in a simple way provided the other person talks slowly and clearly and is prepared to help.
