NCU CATCHING

a campus
exploration
game

Dear Participant, the game has just begun! Many challenges await you, along with lots of fun, and at the end – prizes for the top participants. We invite you to join NCU CATCHing! Take part in the game. Find campus cats and learn how to become a student on the measure of our patron – a versatile scholar Nicolaus Copernicus! **To finish the game, you must obtain a 6-digit code and enter it in the application. Be sure to read the game regulations on the back. GOOD LUCK!**

NCU CATCHING

game rules & regulations

Team size: The game is designed for teams of 1 to 5 people.

Flexible time: You don't have to complete all tasks in one day.

You can spread the game over several days and play at your own pace.

University hours: It is best to complete tasks on weekdays during the opening hours of university buildings to have full access to them.

Gameplay: Write down the answers and codes from the app on the starter card. Proof of completion of the additional tasks (photos, videos) should be sent to catching@ncu.pl (in a single consolidated email, including the group leader's full name).

Completion: To successfully complete the game, you must obtain a 6-digit code (password) and enter it in the mobile application.

GUARANTEED PRIZES:

Every team that completes the game (finishes all mandatory tasks, discovers the six-digit code and enters it into the app) and submits a completed scorecard will receive a guaranteed prize: a set of university-branded merchandise.

ADDITIONAL PRIZES:

The seven top-performing teams – those that best complete the additional tasks – will receive extra sets of university-branded merchandise.
